

REMARKS

Reconsideration is respectfully requested. Claims 1-4 were present in the application. Claims 1-3 are amended herein. New claims 5-8 are added.

The claims are rejected under 35 U.S.C. §112, second paragraph, as allegedly being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention, but are indicated as allowable if rewritten to address the points noted by the Examiner.

The claims are so amended, and new claims 5-8 are added to include the concept that the liquid cargo is oil.

In view of the above, it is believed that the application is in condition for allowance and notice thereof is respectfully solicited. The Examiner is asked to contact applicant's attorney at 503-224-0115 if there are any questions.

Respectfully submitted,

James H. Walters, Reg. No. 35,731
